

77: Legba sneaks in like the moon.

78: Legba beams like the moon.

80: (Oya:) Watch the world. Babies got some sunshine in em.

*Our Moon is only noticable because of our Sun.

81: Legba sneaks off like the moon behind a cloud. Gone but still there.

102: Legba fades into the house

Like the moon in the shadow of the world.

117: Legba enters like the moon during the day, there but not saying anything.
(possibly a waning crescent)
